Introduction

Since January of 1986, when the Ottawa ASC was first formed to service its four local groups, growth has been witnessed both in the number of groups being represented and the number of addicts seeking recovery within our Fellowship.

We have been rewarded with the benefits that come from working together in service to carry out our primary purpose and to further the growth and unity of the Fellowship. Along with these, we have also experienced some of the pains associated with growth.

Although passing policies and guidelines as needed has served us well in the past, the growth we are now experiencing requires us to develop and subsequently use comprehensive guidelines that will enable us to work together smoothly and efficiently.

The purpose of this paper is to collect in one document the approved structure, areas of responsibility and method of operation for the Ottawa ASC. It should serve as an introduction to the committee for new members and as an evolving record of group conscience on matters relating to its operation.

A special thanks should go to all the areas and regions who likewise worked long and hard to develop their own guidelines, which we found to be of invaluable assistance in drafting our own.

Foreword

The individual N.A. member is the foundation of all N.A. service. The first responsibility of all N.A. members is to stay clean. Our next responsibility is to prepare ourselves for carrying the message of Narcotics Anonymous. We all share this responsibility, even those members with just a few days clean.

Service in its simplest form is the sharing of experience, strength and hope, the giving of oneself.

Personal service begins as soon as our desire to stay clean is demonstrated by our staying clean. Sharing one on one, making coffee, setting up chairs and tables, cleaning ashtrays, chairing, speaking and sponsorship are some of the things that we can begin to do early in our recovery to contribute. These early expressions of service prepare us for later work on service committees. The form of personal service members choose is not nearly as important as making the decision to learn and practice spiritual principles by giving service.

When we serve for no other reason than for the joy of giving, there is something inside us that begins to stir. It is a bond of understanding, perhaps for the first time in our lives, that we belong, that we feel a part of something. We come to understand that there is true value in our lives; we are clean and able to be of service to others as a result of the N.A. program and our individual commitments to the principles thereof. This new sense of purpose gives us direction and helps us to persevere through even the most troublesome times.

For those of us who have been privileged to serve N.A., we must stress how important sharing through service has been and continues to be in contributing to our personal recovery.

We find that there is another aspect of these initial efforts that we experience as we perform personal service. We become an example for others and inspire them to contribute also. Without even realizing it, we are giving away what has so freely been given to us.

In order to encourage the atmosphere necessary to recovery, groups generally utilize the following trusted servants: Secretary, Treasurer, Group Service Representative (GSR) and GSR - Alternate. Each of these trusted servants have separate responsibilities but they work together as a team.

Our Group Service Representative's (GSR) participation is vital to the flow of communication between a group and N.A. as a whole. GSRs are the link that bind different groups together in the fulfillment of our primary purpose. It is their responsibility to keep their group informed of events at the area, regional and world levels, to express their group's conscience at the area level, and to keep the area informed about the activities, strengths and problems of their group.

Members of a group should always be able to go to their GSR to find out about activities, other groups, how our N.A. service structure works, the 12 Traditions, and how they can become more involved in service.

The most successful groups provide opportunities for individual members to learn as much as possible about each of the trusted servant positions within the group. This can be done effectively by encouraging open communication with each existing trusted servant. Growth in personal characteristics and responsibility can be important results of service and every group should encourage this opportunity for every member. An effort should be made to rotate the leadership and participation in an orderly manner so that confidence in the group and trusted servants is strengthened.

Trusted servants should begin to learn general service at the group level, after experience with personal service. This gives us an understanding of the group and prepares us for area service.

In principle, general service is an extension of service at the personal and group levels. General services are those activities we do as members of a committee or subcommittee. Examples of our general service include the Area Service Committee and its subcommittees for Public Information and Outreach, Hospitals and Institutions, Activities, etc. All of our service committees have separate and distinct functions but collectively they are parts of the whole N.A. service structure.

There are some decisions in which individual N.A. groups will always want to participate directly, especially those involving a change in the Fellowship as a whole. Otherwise, however, N.A. groups have generally delegated much of the active responsibility for N.A. services to their trusted servants at the area, regional and world levels.

N.A. leaders lead by example, not by directives. They maintain a mutual respect with the Fellowship they serve. Responsibility and trust provide the beautiful balance within our Second Tradition that captures the spirit of mutual respect which is necessary to effectively operate our services.

By mutual respect we mean respect for each other as individuals, whether we have one day, one year or one decade clean, and whichever form of service chosen. Attaining mutual respect begins when we as individuals practice the spiritual principles of honesty, open-mindedness and willingness to try in our relations with others.

The reason N.A. leaders are called trusted servants is because they are placed in a position of trust by the group conscience of the Fellowship they serve. By trust we mean that we are placing with them the authority to act responsibly within their best judgement. This authority enables the trusted servant to perform his or her delegated responsibilities, within the confines of those responsibilities.

The services that are handled by our trusted servants free N.A. groups to focus on our primary purpose and to provide the personal service which is the trademark of Narcotics Anonymous.

Trusted servants have decisions to make in performing their duties. Part of our trust is allowing them to make these decisions. If we insisted that they return to us with every decision, they would not be trusted servants at all, they would simply be messengers. We must remember that we elected them to a position of trust and that they will use their best discretion and report on their actions.

Though the trusted servant has been delegated these responsibilities and the right to make decisions, if there is any uncertainty with the decision, he or she should seek the experience and counsel of members, groups or service committees, prior to the decision and its implementation.

Our Ninth Tradition says that "We may create service boards or committees directly responsible to those they serve". The Fellowship has a deep commitment to ensure the continuation of service boards and committees that make up the N.A. Service Structure. Further, it is the responsibility of the Fellowship which created the service structure to support it financially, emotionally, and with human resources; the trusted servants themselves.

Our personal experiences while using differed from one another. However, as a group we have found many common themes in our addiction. One of these was the need to prove self-sufficiency. We had convinced ourselves that we could make it alone and proceeded to live life on that basis. The results were disastrous, and in the end, each of us had to admit that self-sufficiency was a lie. This admission was the starting point of our recovery and is a primary point of unity for the Fellowship.

Our First Tradition concerns unity and our common welfare. One of the most important things about our new way of life is being a part of a group of addicts seeking recovery. Our survival as individuals is directly related to the survival of the groups and the Fellowship.

Our Traditions are the guidelines that protect us from ourselves. They are our unity. We must live and work together to ensure that in a storm our ship does not sink and members perish. With faith in a Power greater than ourselves, hard work and unity based on spiritual principles, we will survive and continue to carry the message of recovery to the addict who still suffers.

Orientation to the Ottawa Area Service Committee of Narcotics Anonymous

The following information was put together as an orientation package for new members attending the ASC. The purpose of this outline is to simplify the terminology used, draw out the order of N.A. service structure and present a brief description of how this particular business meeting is conducted.

The Ottawa ASC was formed in January, 1986. Basically, it is the business meeting of all N.A. groups in and around the Ottawa Area and, is our method of communicating from the group through to the World Service Committee level.

The Area meeting takes place on the first Sunday of each month, except on long weekends that fall on the first Sunday of the month; on these occasions, ASC will meet on the second Sunday of the month. Punctuality is appreciated so that a timetable can be followed.

There is no such thing as a stupid question here except the one you don't ask! The other members of the committee would be happy to answer any questions or direct you to the appropriate person when asked.

If you are here representing a group, the first thing you should do is approach the table at the front of the room and grab the name tag that identifies which group or committee you will be representing. Other information papers will be on that table as well, which you will be responsible for picking up and looking over. The most applicable will be *this month's agenda, the last Area Service Committee Meeting Minutes and, the Administrative Steering Committee Report*. There may also be announcements which detail upcoming events such as dances, conventions etc., both from our region and from other regions.

Group Service Representatives (GSRs)

GSRs are the link that binds the different groups together and in turn, N.A. as a whole helping to fulfill our primary purpose. It is their responsibility to keep their groups informed of events at Area, Regional and World levels; to express their group's conscience at Area level and to keep the Area informed about activities, strengths and concerns of their group. (For a more detailed description see the separate handout with this orientation package)

If you are a new GSR, the following information will be required from you at this meeting:

GSR Report

- DON'T PANIC! It is very informal. Ask the secretary for a blank form and fill it out to the best of your ability. During the meeting you will be required to verbally report the items listed in the report. We all want to hear how your group is doing.
- After you make your verbal report, hold on to your written report until the first recess. At this time you may give it to the ASC Secretary so that they may place the information in the minutes. This is the only way your group will get noted. If the report is not handed in, it will not be included in the minutes. Keep it simple if possible; ie. Is the support good? Is it weak? Is attendance up down or steady?
- FINANCIAL STATUS of the GROUP. Indicate your group's ASC donation if applicable.
- ANNIVERSARIES or SPECIAL EVENTS
- This verbal report should only take 1 or 2 minutes unless your group has some special concerns or matters it wants you to share.
- Motions that were discussed at your group's business meeting should also be written on this form but not mentioned until the "OLD & NEW" Business part of the meeting takes place. If your group wishes them put into "new business", the procedure is outlined in the "PROCEDURE" section which follows.

Literature Orders

- The ASC meeting is where you place literature order for your group to be picked up at the following ASC meeting. The Literature Committee will have representation to assist you. Payment must be in advance. Order forms are available; take a couple to have handy for your group's business meeting.

The purpose of the ASC is "to help carry the message to the addict who still suffers"; to be supportive of its member groups and to foster the growth and unity of the Fellowship as a whole. See Policies and Guidelines (P&Gs) Section 4.1.

ASC Members

- GSRs, Alternate GSRs, Standing Committee Chairpersons, Chairperson, Vice Chairperson, Secretary, Assistant Secretary, Treasurer, Assistant Treasurer, ASR (Area Service Representative), Alternate ASR. (See Policies and Guidelines Section 3 and for Officers, Section 10.)

Standing Committees

- **HOSPITALS and INSTITUTIONS COMMITTEE:** This committee helps carry the message of recovery to people in those places where they can't get to an N.A. meeting on their own. (For more detail see P&Gs, Section 8.3.1.)
- **PUBLIC RELATIONS COMMITTEE:** This committee also carries the message. They schedule public speaking engagements to educate people and answer publicly any questions about N.A. as a whole. (For more detail see P&Gs, Section 8.3.2.)
- **ACTIVITIES COMMITTEE:** A great deal of energy is needed to be on this committee! This committee organizes and coordinates dances, fundraisers and N.A. events in the Ottawa Area. (For more detail see P&Gs, Section 8.3.3.)
- **NEWSLETTER COMMITTEE:** This committee is responsible for the preparation and distribution of our Area's Newsletter. (For more detail see P&Gs, Section 8.3.4.)
- **LITERATURE COMMITTEE:** This committee is responsible for providing N.A. literature to the Ottawa Area Groups. (For more detail see P&Gs, Section 8.3.5.)
- **ANNUAL AREA ANNIVERSARY CELEBRATION COMMITTEE:** This committee oversees and organizes an annual anniversary celebration for the Ottawa Area. (For more detail see P&Gs, Section 8.3.6.)
- **ADMINISTRATIVE STEERING COMMITTEE:** This committee meets once a month to set the Agenda for the coming Area Service Committee Meeting. (For more detail see P&Gs, Section 8.1.)

Procedure

Upon arrival, please bring any new business to the attention of the Chairperson so that it may be added to the Agenda. **Motions must be submitted in writing on the forms provided with the name of the person making the motion and the name of the person seconding the motion.** It is advisable to add the intent of the motion to hasten the debate.

Pick up your copy of the Agenda, Minutes from the last Area and Administrative Steering Meetings. Have a quick look at the minutes pertaining to your group's report and note any errors or omissions as you will be asked to accept the minutes early in the meeting.

The agenda is easy to follow and will lead you step by step through the meeting. Certain practices may seem unusual or unnecessary but be sure, the procedures practiced here have evolved and are still evolving yet it is safe to say that given a chance, most bear up under almost all circumstances.

Area Service Committee

An Area Service Committee (ASC) is a committee made up of representatives (GSRs) from groups within a designated area, which meets monthly for the express purpose of serving the specific needs of its member groups.

There are certain facilities which are necessary to the service provided by an ASC. In the beginning these may be simply a permanent mailing address (usually a post office box), a bank account, and a place to hold meetings.

As the membership and number of groups within an area increase, or when an area decides that it needs a broader spectrum of services, more facilities may be needed. These might include a telephone answering referral service, typewriter, adding machine, a place to store literature among other things. As an area grows still more, the members may decide to consolidate and improve these facilities by opening and staffing a local office.

Most ASCs have found that a subcommittee often does the actual work to implement ASC directives. The subcommittees normally deal with a single service such as public information, hospitals and institutions, or entertainment, and may meet to do the work as needed between regular ASC meetings.

The most important service which an ASC provides is that of group support. Whenever a group has a specific situation or need which it has not been able to handle on its own, it can come to its area service committee for help. These situations are almost limitless in scope; however, we have learned that we can get much accomplished when we work together.

In order to provide these services, an ASC needs the active participation of its GSRs. A group supports its area service committee both financially and emotionally. It takes money to provide the services we have described. It is the group's responsibility to offer this support. When an ASC is first formed, this need for funds may be minimal, just enough to pay for a post office box and a meeting place. However, as an area grows, the financial needs of the committee also grow. In order to provide a full line of services it requires a steady, reliable flow of money. Some areas provide these funds through activities. These alternate sources of financial support are helpful, but the bulk of the responsibility still falls on the members of a group.

The active participation of each group representative is essential for a successful ASC. Each GSR must keep his or her own group informed, and must represent that group's conscience in all committee decisions. Where possible, an agenda for an ASC should be sent to the groups ten days before the committee meets. Representatives should evaluate each vote in terms of the needs of those they serve or take it back to the group. In addition to this, a GSR participates in helping carry out the ASC's other specific functions. The attracting of new members, the planning and implementation of activities, and the aid given to groups with special situations are services which require much more effort than a monthly meeting.

Group Service Representatives (GSRs) and GSR Alternates

A group service representative (GSR) is first in the line of communication between a group and Narcotics Anonymous as a whole. They are the links that bind the groups together in the performance of our primary purpose. It is their responsibility to keep a group informed and to express a group's conscience in all matters. In other words, they are in face the voice of the group. Electing GSRs who will take an active part in the business of N.A. is probably the most important thing we can do to improve the unity of the fellowship. Active representation more than any other thing, can strengthen the ties that bind us together and promote our common welfare.

The GSRs speak for their groups at area service committee meetings. They take part in planning and implementation of any functions which affect the members of their groups. As a result of their participation they can keep their groups informed about what is happening in N.A. Members of a group should always be able to go to their representative and find out about activities, other groups, how our N.A. service structure works, the Twelve Traditions, and how they can become more involved.

A GSR normally serves for a period of two (2) years. The first year is spent as a GSR alternate, working closely with an existing GSR, learning the duties of the office and taking over in case the GSR is ill, or cannot for any reason continue to serve. Also, if the GSR cannot attend one of the monthly meetings, the GSR alternate has the responsibility to vote in the GSR's absence. It is also suggested that a GSR share some of the responsibilities with the GSR alternate. The second year the alternate becomes the group's GSR, taking over the full responsibilities and functions of the office, and in turn is helped by a newly elected GSR alternate. The "apprentice" system serves two purposes: First of All, it helps to provide a continuity of service which never leaves a group unrepresented and, secondly, the year spent as an alternate provides the training for an effective GSR. As you can see, the role of a GSR is neither a simple one nor, one to be taken lightly. The election of effective GSRs and GSR alternates is probably the most important thing that you as an individual member, can do for the unity of N.A. In choosing your representatives, remember that they are your voice and your ears in N.A. If you wish to be well represented and well informed, it is your responsibility to elect the best possible nominee. For this reason we suggest that candidates for GSR should have:

1. The willingness and desire to serve;
2. We suggest a minimum of one (1) year of continuous abstinence from all drugs;
3. An active participation in the group they serve;
4. Knowledge of the Twelve Steps and Twelve Traditions; and
5. An understanding of the N.A. service structure and the responsibilities of a GSR.

The requirements for the office of GSR alternate are the same as those for GSR except that there is a minimum of six (6) months of continuous abstinence from all drugs. These qualifications of course are not hard and fast rules. They are however, some of the things you should consider in the selection of your representatives. The group service representatives, as we have described them, are your link to the rest of N.A. They are also

the ties that bind the personal service you and your group perform to the next type of service which is offered by N.A. area and regional service.

It is our suggestion that when holding elections for group officers, the description of each officers' job and the suggested qualifications for nominees be read, so that members of the group fully appreciate the responsibilities and ramifications of each office.

In order to coordinate its services, each ASC elects officers yearly. These officers include a chairperson, vice chairperson, secretary, assistant secretary, treasurer, assistant treasurer, area service representative ASR (the Guide to Local Service suggests the election to two Regional Committee Members (RCMs) which will replace ASRs), alternate ASR. Leadership and the ability to organize and give committee direction and incentive must come from its officers. Upon election the officers must resign as GSRs and their groups then elect new representatives, thus ensuring all groups equality of representation.

Committee Meeting. They are expected to provide a full report including any motions which will require a vote. They must also attend the Admin Steering Committee meeting when requested, to respond to questions concerning regional issues

10.2.1. Definition of Clean Time for Purposes of Elections

The purpose of this section is to explain NA's position on clean time; especially in regards to people on drug replacement programs. For more information on this topic, please read the *World Service Board of Trustees Bulletin #29: "Regarding Methadone and Other Drug Replacement Programs"*.

The Bulletin states that allowing people who are on drug replacement to serve as a trusted servant is “not consistent with our traditions,” and that allowing this “affects other groups and NA as a whole.”

Other prescribed drugs; including those for depression, anxiety, pain and other illnesses do not fall into the category of drug replacement narcotics because those drugs are not prescribed for addiction treatment.

So, for example: when a position requires four years of clean time, this means that during the last four years that person must not have been on a drug replacement program.

10.3. TERMS OF OFFICE

- a) Trusted servants of the ASC, excepting the RCM, shall be elected to serve for one year, but may be re-elected for a second term. The RCM will be elected to serve a 2 year term and may be re-elected to serve a second term.

- c) Officers elected to serve unexpired terms due to dismissal or resignation shall serve only until the time of the next regular election for that position. Terms filled under these conditions will not be counted in calculating, the two (2) consecutive terms in office.

10.4. DISMISSAL AND RESIGNATION

10.4.1. DISMISSAL

Officers may be dismissed from their positions at any time for interruption of abstinence, gross neglect of responsibilities, continuous absenteeism, inability to perform responsibilities, or refusal to comply with the documents listed in Section 5.0 of these guidelines.

A written motion for dismissal, with due cause stated, must be entered, seconded and filed with the ASC. The officer must be duly notified, in writing, and shall be afforded the opportunity to give an explanation before any vote is taken.

A two-thirds majority will be required for dismissal. Voting for dismissal shall be conducted by secret ballot, (as per Section 14.1).

A six month moratorium will be required for any ASC officer dismissed from their position.

10.4.2. RESIGNATION

No voting participant may represent more than one group at any one time.

12.2. NON-VOTING PARTICIPANTS

A non-voting participant shall be defined as any member of the Administrative/Steering Sub-committee having registered with the ASC Secretary and being recognized by the Chair, is then permitted to debate, question, enter or second motions and nominations, present reports, present personal points of privilege, call for points of order and/or query the Chair. Such participants shall not be allowed to cast a vote on any matter requiring such nor will they be permitted to appeal decisions of the Chair.

12.3. Discussing Motions

In keeping with the 9th Concept which states that “**All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes**”, the Chair will ask when discussing motions for 2 people to speak 'For' the motion and for 2 people to speak 'Against' the motion. Individuals speaking 'For' or 'Against' the motion do not necessarily have to vote in that manner; they are simply providing a different side of the story. The number of people speaking 'For' or 'Against' the motion can increase if the GSRs believe that more discussion is required. After the people have spoken, the Chair is to ask if

anyone has a radically different viewpoint that would be beneficial to the discussion or if someone has historical information that would be useful for the GSRs to hear.

After the discussion, the Chair will then ask GSRs for consensus on whether or not they are ready to vote on the matter at hand or ready to send the motion to their groups for Group Conscience.

13. QUORUM/MAJORITY REQUIREMENTS

- Quorum One half plus one of all eligible ASC voting participants.
- Simple Majority One half plus one of all ASC voting participants in attendance.

13.2. QUORUM COUNT FORMULA

Quorum requirement is calculated by totalling the previous months groups still on quorum (add all Ps, Rs and As on the Attendance Sheet not including first-time or returning groups) divide by 2 and add 1. In the case of a half-number, round up to next digit.

13.3. REMOVAL FROM QUORUM FORMULA

Groups missing their third consecutive meeting are removed from quorum at the beginning of the third meeting (this is so they are not included in the calculation from which quorum is derived) and their attendance will be marked with a bar e.g., "-".

13.4. QUORUM COUNT FORMULA FOR NEW AND RETURNING GROUPS

Returning groups and new groups will not be included in the quorum count until the following month of their return; however, they will be able to vote at that ASC meeting. (This is to protect the committee from increasing quorum requirements when a group shows up for just one meeting and then goes absent again).
